

THE SESSIONS

Your SENIOR year is a very memorable time and we would love the opportunity to capture some of those memories.

We have three different session options to choose from. There are no limits to the number of outfit changes during the time available in your session.

Your session also includes any pre-consultation time we may have getting to know you. The more we know about you and your personality the better we can make your experience.

Images will be available in your private online gallery within 2 - 3 weeks after your session depending on the season. Your favorite images will also be posted to a Facebook gallery.

ULTIMATE

- Two separate portrait sessions throughout your Senior Year.

\$350
minimum purchase

CLASSIC
